Customer of Blue Granite

This is an upsurd request for a rate increase. I feel The rate is high to begin with. Much higher than what I was paying the City of Columbia before moving.

This Company is poorly run and managed and always in trouble. They should be putting back money all the time for improvements and maintainance.

I live in 40 Love subdivision in Chapin. I am a customer of Blue Granite for water and wastewater.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

Blue Granite/Utilities Inc. has a long history of poor service, poor water quality and poor response to complaints in our neighborhood. Our neighborhood was anxious to get connected to Columbia's water supply in the hopes of better quality water. The rate was raised to pay for that connection which is an understandable increase because there is a reason for it. This huge increase has no reason behind it other than to increase profits for a company that we have no choice but to use regardless of how poor their product and support is.

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***

no
